8-1am

PAST, PRESENT and into the FUTURE

Celebrating 30 years of music at the Trades with djs from some of our favourite nights. Sundays inadvertently turned into a bit of a Beatherder sampler - just shows our djs don't half get about! The night kicks off at 7.30 with a John Peel-esque set, followed by Red Tin Dave (Duende/Perfume Garden) playing cosmic Americana and then Slackears (Chapter 4/Bushrocker HiFi) with a hefty dollop of reggae! The night closes with sets from Fraser then Annie (Country Club/Trailer Trash). Need we say more.....

Well, in fact, we do! If that wasn't enough we're doing it all again on Monday night - banish your hangover/Bank holiday blues with another jam packed dj night. This evening kicks off with Lady Miss LoveCat (People Get Ready/ Hanuman Gallery) and HRH the Pernickity Bint (Mental Elf/Scorpio Sessions) playing their own selection of random ticklish allsorts - expect the eclectic! Next up is Anthony Ellis (Automatique) picking up the pace with an amazing house set, then assuming Barefoot Mo makes it back on time (he's joining us fresh from playing at Knockengorroch) he'll be bringing us some drum n bass! That just leaves Scott (Hub) to close the evening playing whatever he wants!!!

Both nights will also see the return of 'The Tombola of Tat' to raise money to buy the djs monitor speakers! If you missed it last time (at Alices Adventures down the

Rabbit Hole) you have to experience it! This time its bigger, better, brighter.....and with more quality tat than ever before! Every ticket wins a prize so you can't loose and you'll have a 1 in 3 chance of winning a music cd, and to delight you further this time you could even win a spin on our new Wheel of Fortune!
