

# HEPTONSTALL FLOOD RELIEF PACE EGG 2016

## TOSS POT COMES PREPARED

The Juggler capers in, dodging rain from the West  
St George has a broly and a star on his breast  
Bold Slasher likes rain, he'll not hide with the rest  
The Doctor has a topper, he knows what is best  
The Black Prince of Paradise, his robe's put to the test  
The Egyptian King's slaves keep him dry. Not a jest!  
Hector The Champion is snug 'neath his crest  
But what of poor Tossopot, his coat's not the best  
Ah he's safe from the floods, he's found an old life vest!  
If you, like the others, want to be well impressed
