

A huge thanks to everyone who's visited the Picture House over the last six months during our refurbishment. Now we need you more than ever!

To stay open, we need an average of 80 customers PER SCREENING. From January to April last year, our average was a healthy 92. This year, it's just 55. Despite our new stalls seating opening at Easter, our audience numbers have sadly not yet improved.

You've borne with us while we rose up from the floods and now we're back, fully open and we're in better shape than ever. Help us boost our audience numbers and keep your cinema open.

Did you know...we get no operational grants or council funding? We're entirely reliant on our customers.

Hebden Bridge Picture House is too special to lose

- We're a 1920s-vintage independent not-for-profit cinema.
- We serve local cakes, ice cream and beer, plus tea and hot chocolate in proper mugs!
- Only 7% of UK cinema screens show specialised, non-mainstream films – and we're one of those few.
- Our programme is amazing – widescreen classics, 35mm film, foreign language, indie, cult, documentaries, local film-makers as well as the latest blockbusters. Plus live theatre, ballet, opera, concerts and arts documentaries from around the world.
- Our 26 staff are fantastic (we're not run by volunteers). We pay them a (real) Living Wage.
- We're the largest venue in the Upper Calder Valley and a popular choice for community events, school shows, the Arts Festival and bands.
- We're open everyday!

Prices are brilliant value too!

£5 – Under 25s and full-time students (under 3s are free)

£6 – Over 60s and Passport to Leisure / Elevenses

£7 – Everyone else

Live Arts prices start at £10
